Psychology Major Checklist

Required courses for completion of a Bachelor’s Degree in Psychology

1. ______ Psychology 100 – Introductory Psychology
   • Psychology 100 is a prerequisite for all other psychology courses numbered 200 and above.
   • A grade of C- or better in Psych 100 is a required prerequisite for entering Psychology 240. Students may pre-register in Psych 240 while completing Psych 100, but if the final grade is not C- or better, registration will be cancelled.

2. ______ Psychology 240 – Statistics in Psychology
   • Math 101&102 or higher math or Statistics 111 is a pre-requisite for entering Psych 240.
     Details and equivalents available in psychology advising.
   • A grade of C- or better in Psych 240 is a required prerequisite for entering Psychology 241. Students may pre-register in Psych 241 while completing Psych 240, but if the final grade is not C- or better, the registration will be cancelled.

3. ______ Psychology 241 – Methods of Inquiry in Psychology
   • For successful completion of the major within 4 years, Methods should be completed by the end of the Junior year.

4. ______ One Core A Course:
   • Psychology 241 is a prerequisite for entering the Core A courses.

   Psychology 315 – Cognitive Psychology (____) OR Psychology 320 – Learn and Think (____)

5. ______ Core B Course: Psych 330 – Introduction to Neuroscience

6. _____ Two Core C Courses:
   - Psychology 350 – Developmental Psychology (____)
   - Psychology 360 – Social Psychology (____)
   - Psychology 380 – Abnormal Psychology (____)

7. ______ Psychology 392A – Junior Year Writing Seminar
   • Junior or Senior status is a prerequisite for entering psychology 392A.

8. ______ One advanced Psychology lab, seminar, or small course (minimum 3 credits):
   (Choose from Psychology: 391*, 430, 480, 481, 486, 491*, 530, 535, 580, 581, 586, 591*).
   • With few, if any, exceptions, completion of Psychology 241 is a prerequisite for entering these classes.
   *These classes generally have letters following in SPIRE, so do not look up by “is exactly.”

9. ______ Two Psychology electives numbered 200 and above. (____________,  ____________)
   • Each must be minimum of 3 credits and one must be a graded, non-independent study course.

10.______ Psych 494PI – Interdisciplinary Directions in Psychology (Integrative Experience Course)
    • This 1-credit course, when taken in combination with a Psych 391 Seminar, will satisfy the IE requirement.

Other requirements for Graduation:
• Students must have a minimum GPA of 2.0 in the Psychology major and overall.
• Courses taken P/F may not be counted towards the major with the exception of internships, research assistantships, and teaching assistantships.
• Students pursuing a B.A. must satisfy the CNS foreign language requirement (check satisfaction with CNS advising office).
• Students pursuing a B.S. must complete 60 credits in courses in the College of Natural Sciences or with R2, BS or PS general education designations (check completion with the CNS advising office).
• Students must complete the General Education requirements and a total of 120 credits (check completion with the CNS advising office).
